The Court will conduct a pre-trial conference in this case on June 24, 2016 at 11:30 a.m. All parties must be prepared to offer the Court both an oral and written outline of their proposed opening statements to include each claim and defense they intend to present to the jury. Hopefully, this exercise will provide a basic outline for how the trial is to proceed as well as allow the Court to begin preparing the jury charge.

Additionally, each party should be prepared to identify the witnesses to be called and provide a reasonably accurate estimate of the time required for each.

**IT IS SO ORDERED.**
